

# Town of Sudbury

**Important Note: You must affirmatively re-enroll in Sudbury Plus (or another Sudbury CEA product) by **November 20**, or your account will be automatically returned to Eversource Basic Service**

October 26, 2023

Dear Sudbury Electricity Customer,

Thank you for participating in Sudbury Community Electricity Aggregation, the Town's Community Electricity Aggregation (CEA) program to provide electricity supply options to our community since 2021. The Town has renewed the Program with new prices with Dynegy. **Due to changes in the program's electricity products, you must affirmatively re-enroll in the program product of your choice.**

## TO REMAIN IN THE PROGRAM

You currently receive electricity from the program's "Sudbury Class I Green" supply product. If you take no action, the Department of Public Utilities requires that we return your account to Eversource Basic Service, starting on your December 2023 meter read. **To remain in the Sudbury CEA Program, you must contact the supplier, Dynegy, to affirmatively enroll in one of the program products below. Call (866) 220-5696 or submit a request at [Sudbury-CEA.com](https://www.sudbury-cea.com).**

As a reminder, participants in Sudbury CEA may switch to another Sudbury CEA product at any time, leave and return to Eversource Basic Service without penalty.

**The Program cannot guarantee savings compared to Eversource Basic Service for the duration of the program pricing because future Basic Service rates are unknown.**

Program prices could also increase as a result of a change in law that results in a direct material increase in costs during the term of the electric supply contract. A commission fee of \$0.001 per kilowatt-hour (kWh) for the aggregation consultant is included in all program prices. Sudbury Community Electricity Aggregation prices also include taxes which are billed as part of the power supply charge.

Sudbury Community Electricity Aggregation prices apply to service beginning and ending on the days of the month that your meter is read. Prices indicated above are for Supply Services only.

Some products contain additional Renewable Energy Certificates (RECs) above that required by MA law. The additional RECs qualify for MA Class I designation from generation located within, or delivered to, New England.

## RENEWABLE ENERGY DETAIL

The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 59% renewable energy resources in 2023, 62% in 2024, and 63% in 2025. This requirement includes “premium” sources, known as MA Class I, as well as other sources. For details on all required sources, see [www.mass.gov/service-details/program-summaries](http://www.mass.gov/service-details/program-summaries). Some program products contain additional renewable energy that exceeds the minimum required by the Commonwealth as shown below.

The Renewable Portfolio Standard (RPS) is the minimum renewable energy required each year by the Commonwealth of Massachusetts.						

## ANSWERS TO FREQUENTLY ASKED QUESTIONS

- Sudbury CEA does not replace Eversource as your electric utility. Eversource will continue to deliver electricity, repair outages, and manage all billing.
- You can switch to a different Program supply product any time after you’ve enrolled.
- You can leave the Program with no associated early termination fees any time after you’ve enrolled. If you leave the Program, your account(s) will be returned to Eversource Basic Service on the next available meter read.
- Budget Plan or Eligible Low-Income delivery rate consumers will continue to receive those benefits from Eversource.
- Solar Electricity Consumers will not be impacted and will continue to receive their net metering credits while participating in the Program.
- Exit Terms for Basic Service: There is no penalty charge for leaving Eversource’s Basic Service, however, Industrial customers (G-2 and G-3) may receive a reconciliation charge or credit. If you have already chosen a Green Power supply option on your own, you must opt out of this program. This will ensure you continue to receive your electricity from that Green Power Supply..
- Information about Basic Service: visit [www.mass.gov/info-details/basic-service-information-and-rates](http://www.mass.gov/info-details/basic-service-information-and-rates), or call Eversource at (800) 592-2000.
- If you are receiving electricity supply from a competitive supplier and believe you have received this letter in error, you must contact the program’s supplier, Dynegy, to opt out. This will ensure you continue to receive your electricity from that competitive supplier and prevent any possible early termination fees.
- Tax-exempt small business customers participating in the Program must provide a copy of their Tax-Exemption Certificate directly to Dynegy via email at [Salestax\\_geotax@Vistraenergy.com](mailto:Salestax_geotax@Vistraenergy.com), fax at (866) 257-1795, or mail at Dynegy, ATTN: Customer Care, P.O. Box 650764, Dallas, TX 75264 in order to maintain their tax-exempt status.
- If you have a supplier block on your Eversource account, the supplier will not be able to enroll you in Sudbury Community Electricity Aggregation. To check if you have a block and/or to remove a block please contact Eversource at (800) 592-2000.
