

Sudbury Community Electricity Aggregation Program

Dear Sudbury Electricity Customer,

The Town of Sudbury is offering Sudbury Community Electricity Aggregation (Sudbury CEA), which provides new Town-vetted options for electricity supply. Eversource will continue to deliver your electricity, however, the electricity supplier was chosen by the Town of Sudbury through a competitive bid process that leveraged the bulk-buying power of our community, understanding that savings cannot be guaranteed.

You will be automatically enrolled in the Sudbury CEA product, “Sudbury Green,” as of your next available electricity meter read, unless you choose one of our optional products or choose to opt out.

To opt out and avoid automatic enrollment in the Sudbury Community Electricity Aggregation Program, you must do one of the following before July 26, 2023:

mail and postmark the enclosed opt-out card

OR

call NextEra Energy Services at (855) 639-8174

OR

submit the opt-out form at Sudbury-CEA.com

Participants may also opt out of Sudbury Community Electricity Aggregation at any time during the Program without penalty. Please read further to learn more about Sudbury CEA.

— Rami Alwan, Chair, Sudbury Sustainable Energy Committee

SUDBURY CEA GOALS

Renewable Energy

Sudbury CEA’s standard product includes more renewable energy certificates, known as Massachusetts Class I RECs, than required by the Commonwealth. This means you are helping to support the growth of renewable energy in our region. Optional products that include a higher amount of renewable energy certificates are also available and described below.

Electricity Choice

Sudbury CEA offers different electricity supply choices with different levels of renewable energy certificates to match your budget and climate goals.

Competitive and Stable Prices

All Sudbury CEA prices are fixed through December 2023, whereas Eversource Basic Service prices change every six months for Residential and Commercial customers, and every three months for Large Commercial and Industrial customers. Sudbury CEA offers options that are intended to be price competitive with Eversource Basic Service, however, **savings cannot be guaranteed**. This is because Basic Service rates are not known for the entire period of Sudbury’s contract and may therefore be above or below Sudbury CEA rates in any given period.

SUDBURY CEA OPTIONS

Standard Product

- 1 Sudbury Green:** This is the **standard product** that you will be automatically enrolled in if you do nothing. It includes renewable energy certificates (37% MA Class I, 63% National Wind) equal to 100% of a customer's electricity consumption, in addition to meeting all other renewable energy standards set by the Commonwealth. This product helps you be a climate leader, while still focusing on competitive prices. The goal for this product is to be equal to, or lower than, average Eversource Basic Service rates over Sudbury’s contract term. However, as Basic Service rates change, **savings cannot be guaranteed** for any given period.

Other Products

Sudbury CEA also offers optional electricity products, each with differing amounts of renewable energy certificates relative to state requirements. To enroll in any of these optional products, you must contact the supplier, **NextEra Energy Services**, at (855) 639-8174, or sign up on the aggregation website: Sudbury-CEA.com.

- 2 Sudbury Class I Green:** This is an **optional product**. It includes renewable energy certificates (MA Class I) equal to one hundred percent (100%) of a customer’s electricity consumption. It also meets all renewable energy standards set by the Commonwealth.
- 3 Sudbury Basic:** This is an **optional product**. It includes the minimum amount of renewable energy certificates (MA Class I) required by the Commonwealth.

ADDITIONAL RECs

Products described as Green contain additional Renewable Energy Certificates (RECs) above that required by MA law. The term Class I means that the RECs are sourced from generation located within, or delivered to, New England.

SUDBURY CEA PRICING

	Electricity Supply Product	Renewable Energy Certificates (RECs)	Residential	Commercial	Large Commercial and Industrial (C&I)	Price Period
Sudbury CEA	Sudbury Green (standard)	100% RECS (37% MA Class I & 63% National Wind), in addition to other Commonwealth requirements	\$0.10712/kWh	\$0.10712/kWh	\$0.10712/kWh	August 2023 - December 2023 Rates apply to service beginning and ending on the days of the month that your meter is read.
	Sudbury Class I Green (optional)	100% RECS (MA Class I), in addition to other Commonwealth requirements	\$0.13805/kWh	\$0.13805/kWh	\$0.13805/kWh	
	Sudbury Basic (optional)	meets minimum Commonwealth requirements	\$0.10048/kWh	\$0.10048/kWh	\$0.10048/kWh	
What You Have Now	Eversource Basic Service	meets minimum Commonwealth requirements	\$0.16078/kWh	\$0.15899/kWh	NEMA \$0.15428/kWh	July 1, 2023 - December 31, 2023 Residential and Commercial* July 1, 2023 - September 30, 2023 Large C&I*

***No guarantee of savings.** Eversource Basic Service rates for electric supply change every six months for Residential and Commercial customers, and every three months for Large Commercial and Industrial customers. Eversource Basic Service rates may be above or below Sudbury CEA rates for customers during any given period. Program prices could also increase as a result of a change in law that results in a direct material increase in costs during the term of the electric supply contract.

Rates indicated above are for Supply Services only. Commission fee for all Sudbury CEA products is included in above rates. This fee is \$0.001/kWh for the aggregation consultant. Rates also include taxes which are billed as part of the power supply charge.

SUDBURY CEA PARTICIPATION

To enroll in the Sudbury CEA Sudbury Green product, you do not need to take any action. To enroll in an optional Sudbury CEA product, contact the supplier, NextEra Energy Services, or use the online form at Sudbury-CEA.com. If you don't wish to participate, mail and postmark the enclosed opt-out card on or before **July 26, 2023** to avoid automatic enrollment in the Sudbury CEA Program.

Budget Plan or Eligible Low-Income delivery rate consumers will continue to receive those benefits from Eversource.

Solar Electricity Consumers will not be impacted and will continue to receive their net metering credits while participating in the Program.

Exit Terms for Basic Service: There is no penalty charge for leaving Eversource's Basic Service, however, Large Commercial and Industrial customers may receive a billing adjustment charge or credit.

You can leave the Program any time after you have enrolled, with no early termination fees. If you leave the Program, your account(s) will be returned to Eversource's Basic Service on the next available meter read.

How to access information about Basic Service: visit www.mass.gov/info-details/basic-service-information-and-rates, or call Eversource at (800) 592-2000.

If you are receiving electricity supply from a competitive supplier and believe you have received this opt-out letter in error, you must sign and return the enclosed opt-out card. This will ensure you continue to receive your electricity from that competitive supplier and prevent any possible early termination fees.

Tax-exempt small business customers must provide a copy of their Energy Exemption Certificate directly to NextEra Energy Services via email at Tax_Exemption_Forms@nexteraenergyservices.com, fax at (866) 372-4392, or mail at NextEra Energy, Attn: Commercial Sales Tax Exemptions, 20455 State Highway 249, Suite 200, Houston, TX 77070, in order to maintain their tax-exempt status.

CUSTOMER SUPPORT & MORE INFORMATION

For more information visit Sudbury-CEA.com, or call (844) 864-3828.

To select an optional Sudbury CEA product, or to opt out of the Program, please contact **NextEra Energy Services** at (855) 639-8174, Monday through Friday, from 9 AM to 6 PM EST, or by email at nesgovagg@nexteraenergyservices.com.
